Shown above is an artist's drawing of the new high school to be built in Drayton Valley. At a meeting last week the Parkland School Committee awarded the contract for construction of the new school to Camwil Construction at a tendered cost of \$734,227. Construction is expected to start after break-up with the school ready for occupancy next fall.

## TUITION AGREEMENT MEETS OPPOSITION AT SEBA BEACH

About 150 residents of the area attended a meeting in the Seba Beach High School last Thursday evening to hear details of the proposed tuition agreement with Yellowhead School Division to have high school students from the north-western corner of Parkland County attend a new school in Evansburg.

The meeting was one of a series called by the School Committee throughout the affected area to discuss the agreement.

The feeling of the Seba Beach audience appeared almost solidly in opposition to the tuition plan. Entwistle residents, at an earlier meeting, heard details of the plan and appeared generally in favour.

Another meeting was scheduled for the Tomahawk Hall Monday evening and the series will wind-up with a meeting in the Moon Lake Hall tonight (Wednesday, February 24th).

Councillors R. Bailey, and George Mann and Superintendent M. Holman represented Parkland School Committee and Mr. B. Chandler, the Yellowhead School

Division.

The problem of supplying adequate facilities for the high school population in the Seba Beach attendance area was outlined by Councillor Bailey and details of the tuition agreement reviewed by Councillor Mann.

The tuition agreement, it was stated, is a stop-gap measure, intended to provide high school facilities until such time as the school population in the north-west corner of the county warrants a new school.

The need for larger schools providing a broader curriculum was cited as a modern requirement for post secondary education. The high school at Evansburg would be similar in size and program offered to Frank Maddock High School in Drayton Valley.

Mr. Holman stated that young people facing the world today need the broader program and noted that research studies are consistent in finding that students from larger schools do better than those from small units.

People in the audience expressed

opposition to the plan and grave concern about loss of the high school to the community in a lengthy and brisk question period that followed the presentations of board members.

It was pointed out from the floor that activity in the Seba Beach area was picking up after a long quiet period and that the need for improved school facilities would grow as power and coal production increases.

### Kin-Kapades This Weekend

Kin-Kapades is set for this weekend at Evansburg. The gala event gets underway with a dance on Friday, February 26th which will feature the crowning of the Ice Carnival Queen and Princesses.

Saturday and Sunday events include hockey games, snowmobile races and at 2:00 p.m. Sunday the ice carnival presented by the Pirouettes Skating Club with guest skaters from Edson and Edmonton.

The winter event is an annual undertaking by the Evansburg Kinsmen's Club with proceeds going back into community projects.

### Census Shows Population Up

The Drayton Valley town census completed recently shows an increase of 243 persons. The seven percent increase brings the population to 3714 compared to 3471 last year.

## Discipline Subject Panel Discussion

"To spank or not to spank -- that is the question." Parents, teachers and all concerned members of the community are invited to a Panel Discussion on the subject of "Discipline" on Monday, March 1st at 8:15 p.m. at the Elementary School, Drayton Valley.

Is discipline a problem in our community? What are the common offences among young people? As parents and teachers are we aware of the forces which destroy the good we are aiming to achieve? How relevant is the Church's teaching on the subject? Such pertinent questions have been posed by a group of concerned

parents and teachers who have been meeting over the past few weeks to discuss problems of discipline. During conversation it was found that discipline meant one thing to one and something else to another; in view of this the organisers invited speakers who would present the point of view of a psychologist, parent, teacher, clergyman, and R.C.M.P. officer. There will also be an opportunity for comments and questions.

It is hoped that this will be an informative and happy evening, and its success depends on your full participation. Please come.

## Rebels - Westlock Meet in Play-off

BY DOUG BARNES

The injury-riddled Rebels put on a team effort Sunday that was fantastic. It left no doubt in anyone's mind who the first place club is. They defeated the Ft. Saskatchewan Huskies 7 to 6 in overtime.

Going into overtime when you have only 2 lines and 3 defencemen is not something you look forward to. Right now the Rebels have 4 players out with injuries and one with the flu bug. A very tough position with the play-off's just 6 days away.

Starting next Saturday night and the second game Sunday the Rebels meet the Westlock Eagles in the semi-finals. Westlock ended up in 3rd place due to 2 wins over Stettler on the weekend and the Fort Saskatchewan loss to the Rebels.

Last Thursday night the Rebels travelled to Camrose to play the Maroons and lost 7 to 6 in a fast skating, well played hockey game. At the end of the first period the Rebels were down 2 to 0. Camrose goals by Les LeDine and Ellard Dilworth.

At 1:06 of the second period John Froehler made it 3 to 0 for Camrose. Then the Rebels started pouring it on. They scored 6 unanswered goals much to the delight of some 50 Rebel fans who travelled to Camrose by bus to cheer their team on. Cheer they did, like you never heard

before.

Henry Hodgson started the six goal scoring spree at 2:57 of the second period assisted by Sam Belcourt. At 4:06 Gary Haack scored from Frank Novosel and Sam Belcourt. Sam Belcourt at 5:55 from Henry Hodgson. Rick LaPointe finished off the second period scoring at 16:09 from Henry Hodgson and Terry McGowan.

### Fire Destroys Lindale Home

A fire, late Monday afternoon, completely destroyed the home of Mr. and Mrs. Colin McKeag, four miles north of Lindale store. The couple, who were recently married, lost most of their possessions despite the best efforts of neighbors who responded to help fight the fire.

### Rec. Board Meets Monday

The regular monthly meeting of the Drayton Valley Recreation Board will be held on Monday, March 1st. The meeting will take place in the Recreation Office starting at 8:00 p.m.

The Recreation Board members are Chairman, Joe Balen. Recreation Councillor, Claude Albert, Reg Samis, Mrs. E. Hazman, Mrs. Carol Hoyland, Nick Urchishyn and Barry Richer.

A Recreation Board Workshop is planned for March 15, 1971. This workshop will be held during the evening and will give the local Board members an opportunity to meet some of the Department of Youth personnel and discuss methods of operation and problems that are encountered in the local Recreation program.

### P.C.'s Plan Meeting

The Drayton Valley Progressive Conservative Association has announced plans for a meeting on Thursday, March 4th. The meeting will be held in the Drayton Valley Legion Hall, starting at 8:00 p.m.

## Rusty Zander Heads Ambulance Group

At a meeting in Drayton Valley on Saturday, February 13th, the ambulance services committee decided on the name "The Breton and Drayton Valley Hospital Dist-

riets Ambulance Services Committee," for the unit to serve the west side of Parkland and Leduc Counties and area towns.

Rudolph Zander of Tomahawk was elected chairman of the committee and Hans Hansen of Leduc County as Vice Chairman. William Johanneson was named Secretary-Treasurer.

The meeting agreed to invite tenders for an equipped ambulance from firms that showed an earlier interest in supplying the machine.

It was also decided to draft the contract between the committee and operator Nick Urchishyn. The contract will be for a three-year period with annual reviews.

An Alberta Government Telephones representative will be invited to attend the next meeting to discuss communications. Medical doctors and hospital administrators will also be invited to attend.

Regular meetings will be held on the first Saturday of each month.

County of Parkland representatives on the committee are Rudolph Zander, Ivan Vowk and George Mann; County of Leduc, Hans Hansen and Alphonse Caron; County of Wetaskiwin, Alex Danyluk; Village of Breton, Harry Stoudt; Village of Warburg, Edward Yerman; Town of Drayton Valley, W.G. Johanneson, Marvin Helm and Bob Huber.

### Injured Boy Makes Progress

Fourteen year-old Lyle Van Loosen, who was injured in a rifle accident on February 9th, underwent another operation on Thursday and was reported Monday on the critical list and under intensive care.

The son of Mr. and Mrs. Ed Van Loosen of Buck Creek, the boy was injured when he slipped going down a ravine and his .22 rifle accidentally discharged with the bullet causing injury to his liver and lung.

He was rushed to the Royal Alexandra Hospital in Edmonton from Drayton Valley Hospital and underwent an operation on Friday, February 12th. Following a second operation on Thursday of last week he was very low on Friday and Saturday but on Sunday showed remarkable improvement.

He is reported Monday to be still in critical condition, but alert and showing continued improvement.

## Rebels-Westlock Meet In Playoff

Cont. from Page 1

The Rebels continued their scoring spree at 2:35 of the third period with a goal by Dan Davie assisted by Jim Feeney and Sam Belcourt. Their 6th goal came at 4:14 by Frank Novosel assisted by Dan Davie and Terry McGowan.

Then the Rebels playing short-handed again seemed to run out of gas. They had been playing with only 2 regular defensemen as Wayne Garding picked a minor and a misconduct at 8:59 of the second period then at 10:50 a game misconduct.

Camrose scored 4 goals after the Rebels got their 6th. The score ended up 7 Camrose and 6 Rebels. Two juveniles from the Pipeliners Dave Smith and Dave Lukaniuk played for the Rebels and did a good job.

The Rebels locked up first place despite the loss. The Maroon win tied them with the Rebels but the Rebels had scored 38 goals against Camrose and Camrose scored 36 against the Rebels so the Rebels had clinched first place by 2 goals. This was Camrose's last league game.

Sunday's game against the Fort Saskatchewan Huskies was a real thriller for the largest crowd to ever watch a hockey game in Drayton Valley -- 729 fans.

Louie Hendrikson started the scoring for the Rebels at :54 seconds of the first period from Henry Hodgson and Sam Belcourt. Huskies tied it up at 3:40 with a goal by Brian Herbert and went ahead at 7:31 with a goal by Rick Shillington. The Rebels Henry Hodgson tied it up at 12:15 assisted by Frank Novosel. Frank Novosel got his first of 2 goals at 15:33 from Sam Belcourt. Fort Saskatchewan tied it up at 19:42

with a goal by Colin Grier. The period ended tied 3 to 3.

Each team scored one in the second period. The Fort Saskatchewan goal by Rick Shillington and the Drayton Valley goal by Sam Belcourt at :44 second from Rick LaPointe.

In the third period the teams scored 2 each. Fort Saskatchewan went ahead at 9:39 with a goal by Prins. They went two ahead at 10:56 with Rick Shillington's third goal of the game.

Frank Novosel brought the Rebels within one goal at 11:27 from Terry McGowan. Wayne Garding tied it up at 13:53 assisted by Frank Novosel.

The game then went into overtime with Rick LaPointe getting his second goal of the game and game-winning goal at 3:35 of the overtime period assisted by Frank Novosel's 5th point of the game and Dan Davie.

Rick LaPointe, Frank Novosel and Barry Pankewicz picked up the 3 star money which they really deserved. Barry Pankewicz has played great goal in the last games, making those big saves when you need them.

The first round of the provincial play-offs will be played in Drayton Valley Centennial Civic Centre. The first game is Tuesday, March 2nd and the second game Thursday, March 4th. Both games at 8:30 p.m. against Ray's Esso of the Edmonton Central League. This is a total point series of two games.

The winner of the trip to Vancouver was Ken Retallack.

Tickets are now on sale for the fourth annual Rebel Hockey Club Trailer Raffle available from any director. Admission to all play-off games for adults is \$1.25, a league ruling.

## 4-H Sports Held Sunday

One hundred and forty members of 4-H clubs in Parkland County took part in curling and bowling competitions held in Drayton Valley last Sunday. 50 or 60 adults and leaders were also present for the event.

The program, sponsored this year by the Tomahawk 4-H Beef Club, got underway at 10:00 a.m. and ended with presentations and a social in the Legion Hall during the evening.

A noon dinner and evening lunch was provided by the Tomahawk Club assisted by mothers of club members who prepared the meals and provided extra trimmings.

The club extends its thanks to the following Tomahawk business places and organizations who assisted in financing the program: Tomahawk Curling Club; Tomahawk and District Community Club; Tomahawk Fire Department; Jouan Electric; Tomahawk General Store; Tomahawk Hotel; Scheopp's Garage; Schadeck Implement; Jim Shaw; and Bill Wickware.

## GAINFORD NEWS

Belated birthday wishes to Tim Greaney, 9 years old February 6th and to Glen Meronowich 6 years old February 8th.

Recent visitors with Mr. and Mrs. Jim Hauser were Mr. and Mrs. John Wittenburg of Fallis and Mr. and Mrs. Bill Stevenson of Edmonton.

Congratulations to Mr. Dan McLellan of Sundance son of Mrs. Ruth McLellan who won the highest award in 1970 Alberta, for 3rd class Electrical Engineering. Dan was presented with a plaque at a banquet and dance at the Royal Glenora Club in Edmonton.

Mrs. Janet Hauser attended a course in puppetry in Duffield, February 13th.

Mr. and Mrs. Y. Carlson and girls visited Mr. and Mrs. Walter Carlson in Edmonton recently.

Donna and Dave Mohr and sons of Spruce Grove were recent visitors with Mrs. Ruth McLellan. Polly Keller of Edmonton was a recent visitor with Mr. and Mrs. E. Diduk.

Sympathy of the district to the Hauser families on the recent death of Mr. Hans Hauser.

Recent visitors with Mr. and Mrs. Fred Fraser were Mr. and Mrs. Richard Greenwood of Sanguo, Shirley, Fritz and children of Evansburg and Mr. Curly Burk of Onoway.

Birthday wishes to Barry Butts 11 years old February 26th and Hazel Meronowich 5 years old on February 27th.

## KEEPPHILLS NEWS

On Saturday, February 13th, a team of five boys from St. John's School at Selkirk, Manitoba and five boys from St. John's School at Genesee took part in a snow shoe race, over a 30 to 35 mile course.

When they reached Duffield for their lunch at one o'clock, Manitoba was 10 minutes in the lead. They held the lead until near Keepphills when one of their boys collapsed. He soon revived and they pushed on.

He later collapsed into unconsciousness and was brought in by a snowmobile and taken to Genesee in a station wagon where he died a few hours later.

About two hundred people were on hand at Keepphills to welcome the boys' when they stopped for a lunch and a 20 minute rest.

We were all saddened by such news the next morning and our sympathy goes out to those concerned.

Wendy Tattersall spent a few days in Edmonton.

Elkie Albers of Highvale spent the weekend with Colleen Raymond enjoying the holiday during the teacher's convention.

Roy Raymond and Ed Bacon were in the Men's Bonspiel at Seba Beach last weekend, and won their 1st and 3rd games.

Edward Tattersall was home for the weekend. He has been working in the Slave Lake area.

## Agreement Meets Seba Opposition

Cont. from Page 1

pointed out that firms operating in the area have been contacted and it was found that rapid increases in staff are not anticipated. The information came from the board during the question period at the Tomahawk meeting the following Monday.

Questioned as to why Parkland County couldn't provide school facilities for taxpayers, a board representative replied that the School Buildings Board approves construction or additions only on the basis of enrolment. Seba Beach, it was felt, would not qualify on this requirement.

Another question asked why -- if Parkland was to provide a large number of students for the new school -- couldn't it be built in Parkland County and a tuition agreement offered to Yellowhead? Board representatives expressed the view that the Building Board would not likely agree to such a proposal.

School Committee representatives expressed a willingness to explore all avenues that might lead to a solution to the problem and in this regard it was decided to have parents of students concerned answer a questionnaire that would give an indication of their feelings.

Members of the school's students' union presented sealed results of a plebiscite among students that revealed over 100 in favor of attending at Seba Beach and 26 in favor of the Evansburg School and 16 expressing a desire to attend high school in Drayton Valley.

The meeting series continued on Monday evening of this week with around 80 or 90 people present in the Tomahawk School for a meeting chaired by Councillor R. Zander. Councillor George Mann and Superintendent M.

Holman were also present to take part in explanation of the tuition agreement.

Mr. Holman outlined the questionnaire that will be given to parents of school children to give the board a feed-back of public opinion. The questionnaire was originally intended only for parents of grade 8, 9, 10, and 11 students but following requests from the floor it was decided to broaden the range and accept answers from all parents of school children interested.

The questionnaire seeks an expression by parents of the school -- Seba Beach, Evansburg or Drayton Valley -- that they would like to have their children attend. Result of the survey, Mr. Holman said, would play an important part in the board's final decision.

Questions from the floor at the Tomahawk meeting appeared not so much concerned with the school at Evansburg and more with a review of facilities offered at Seba Beach and Drayton Valley. Of particular interest was the industrial arts to be available when the new Drayton Valley school is ready.

It was pointed out that increased offerings in this field will be available. The industrial arts section at the present Frank Madock High School is to be expanded in area and additional teaching staff.

Residents left the Tomahawk meeting with assurance from the board representatives that the indications of the majority in the area concerned would be the decisive factor in a final decision in the matter.

Deep breathing adds to your longevity, especially if you can do it for eighty-five or ninety years.

## D. V. Highlights

BY MRS. EDITH DEBY

Very best good wishes go to Mr. and Mrs. Andrew Kjolien who were married in Edmonton on Saturday. Mrs. Kjolien is the former Miss Loretta Sorochan, of Edmonton. Andrew is the son of Mr. and Mrs. Tom Kjolien. The young couple will make their home in Drayton Valley.

Mr. Chester Miller is presently at work on a project of interest to all long time residents. Mr. Miller is making a map of the district with the names of all owners of each parcel of land. This is no easy task for some quarter sections have had several owners, all of which will be listed. Perhaps the map could be framed and Mr. Miller would be kind enough to allow it to be on display in some public place for a time. It will hold interest for many of us.

Mrs. Gordon Kynoch (Dolly) has been visiting her son-in-law and daughter, Mr. and Mrs. William Block at Hagen's Landing, B.C. since Christmas.

Miss Barbara Herold, daughter of Mr. and Mrs. Ben Herold and Mr. Norris Hutchinson, son of Mr. Oscar (Jack) Hutchinson will exchange marriage vows on March 6th in Drayton Valley United Church. Best wishes for a happy future, Barbara and Norris.

Bruce Chaput suffered a cracked thumb and face lacerations when he fell while skiing. For a time, at least, Bruce's recreation will consist of the books on Science Fiction which he favours.

Did you know that there is whist every second Sunday in the Legion Hall? The next whist will be on Sunday, February 28th, commencing at 8:00 p.m.

Mr. and Mrs. William Cuthbertson were made grandparents for the first time when wee Char-

lottee Vivian Marie Cuthbertson, daughter of Mr. and Mrs. Tom Cuthbertson, arrived at the Royal Alex on February 7th.

Mrs. Nick Urchysyn entertained at a bridal shower for Miss Vera Hodgson on Friday evening last. Mrs. Dan Bills and Mrs. Steve Yurchak assisted the hostess.

Never was there a meter reader who has not been forced at some time to give ground to a dog who feels he is guarding his owner's property (perhaps he just feels like biting meter readers). One afternoon last month residents of the 49th Street and 49th Avenue missed an amusing scene if they were not watching from their windows when Mr. Vernon Ranks reversed the usual proceedings and pursued an aging canine who had dared to attack him. Pursuer and pursued dashed from alley to street and street to alley while the former uttered cries worthy of a Cree warrior. Do you think it is quite fair, Mr. Ranks? Remember, you may be old and fat yourself some day.

Mr. and Mrs. Tony Baudenbacker, Jim McLeod and his daughter and Wilmer and Irene Brown paid brief calls in the district on Sunday. Jim has been transferred back to Edmonton from Saskatoon after an absence of almost ten years.

Mrs. Dalheim, of Onoway, was in town on Monday evening to attend the annual dinner meeting of the Women's Institute. Mrs. Dalheim is Constituency Convener this year.

Mr. Francis Hopfe had a severe heart attack two weeks ago and will be in the hospital for another two weeks at least. Very best wishes for an early and complete recovery, Mr. Hopfe.

## Amoco Reactivates Tar Sands Testing

Amoco Canada Petroleum Company Ltd., a wholly-owned subsidiary of Standard Oil Company (Indiana), has received permission from the Alberta Oil and Gas Conservation Board to reactivate suspended experimental operations at its Athabasca tar sands site 25 miles south of Fort McMurray, Alberta.

The resumption of testing is aimed at developing an economic means of recovering the vast petroleum reserves which are contained in the tar sands but which cannot be produced by present mining-type operations. It has been estimated that the Athabasca tar sands contain in excess of 600 billion barrels of bitumen but that over 90 per cent of the Athabasca sands are not suited to surface mining methods in situ (in-place) recovery methods such as the Amoco process must be developed if Alberta is to recover the bulk of Athabasca's great tar sands resources.

The field experiment will further test a process which involves in situ (in-place) combustion to heat the tar in the McMurray formation. The heating process adds energy and reduces the viscosity of the tar so that it will flow into a well and can be produced in a manner similar to conventional oil. The company first announced, late in 1968 successful completion of testing of its unique underground burning process. The new series of tests will involve application of the process to a commercially-sized pattern.

Amoco Canada's process is the result of more than a decade of applied research in laboratories and at the field site near Greig Lake, about 225 miles northeast of Alberta's capital, Edmonton.

The main goals of Amoco Canada's enlarged experiment are to determine the capability of heating the formation adequately over a commercially sized area; to further evaluate various types of well design and to utilize the latest ideas and equipment in completing wells which are to be drilled; to monitor the production performance of the wells; and to evaluate additional methods of producing and handling the tar.

### BURTONSVILLE

Rev. Streeter Amnett, a former Pastor at the Burtonsville Church passed away February 14th.

Beatrice Switzer of Keepnills visited Emma Homme Wednesday afternoon.

Rev. John Kennedy attended a temperance business meeting Monday, February 15th held at Juniper Lodge.

Myles Homme is spending a few days in the Drayton Valley Hospital. A hurry up and get well is wished Myles.

The Shoal Lake Unifarm held a meeting February 15th at the home of Paul Piskunowicz. Gaston Jouan was the guest speaker. Mr. Jouan reported on the Unifarm Annual Convention he attended.

## Petra Burka Aids Town, Area Skaters

Petra Burka attended a skating session at the local arena Saturday morning which lasted an hour and a half. Miss Burka was very helpful to the individual skaters with the instruction she gave. Skaters and parents from surrounding clubs attended as well as from the local club.

Following the skating session a luncheon was held in the Cardium Room at which executives of the various clubs discussed mutual problems with Miss Burka. After the luncheon Mr. N. Chomik, Northern Zone Director conducted the regular zone meeting.

Petra Burka was seven years old

when she began figure skating. Her coach and mother, Mrs. Ellen Burka encouraged Petra on and by the time she was fourteen was a triple gold medalist.

Her first important competitive victory was in 1961 when she won the Junior Ladies' Canadian Championship. The following year she placed on the Canadian World Team and was fourth in the World Championships held in Prague, Czechoslovakia. In 1964 she was a Bronze Medalist in the Winter Olympics and third in the World Championships. In 1965 she captured the Canadian, North American and World titles. The same year she was honoured as

Canada's outstanding athlete of the year by winning the Lou E. Marsh Memorial Trophy.

In 1966 Petra decided to turn professional and joined "Holiday On Ice" as a featured soloist. She toured one year in the United States and Two years in Europe.

Presently Petra is working for the Canadian Figure Skating Association in Ottawa, as well as the Fitness and Amateur Sports Directorate of the Department of National Health and Welfare, and will spend this season traveling across Canada helping to promote the sport of figure skating.

## Report From Parliament Hill

By Allen Sulatycky, M.P.

Unemployment is a tragedy. It is a tragedy if there are hundreds of thousands looking for jobs or if there are only a handful. It is not the numbers of unemployed, but the fact of unemployment itself which is tragic. However, when the numbers increase, the concern increases, and in Parliament everyone is concerned.

There is concern in all corners and on all sides of the House of Commons. The Opposition is concerned and the Government is concerned. The Government of course, finds itself in a dilemma from which the Opposition is free. In fact it could be suggested that the aim of the Opposition is to increase the dilemma of the government.

The dilemma is simply the economic cycle which has been evident in the last few decades. We have been going through alternating periods of inflation and unemployment. The relief from one brings on the other. The dilemma is how to get out of one without reviving the other.

Two years ago the great tragedy was inflation. The Opposition constantly played the Government for it. They said the Government was not taking any measures to control it. The Government countered that drastic steps would lead to extreme unemployment. The Government preferred carefully gauged and very selective measures. As a result, Canada had the best price control record in the developed countries last year. However, unemployment has at the same time increased. The Government hopes that, once again, carefully gauged and selective measures will in due course result in a more normal rate of unemployment without a return to the high rate of inflation of two years ago.

In the last ten months the Government has taken at least sixteen separate and varied steps in an attempt to prevent high unemployment. The Government has increased its spending on programs to relieve unemployment to the point where we will again have a budget deficit -- one of

about \$600 million. Some of the programs introduced by the Government are now starting to take effect and we can look forward to steadily declining rates of unemployment.

It may be worthwhile to look at some of the suggestions which have been made to ease unemployment, which the Government has not accepted. These include a general tax reduction, a winter works program and expanded public works.

Firstly, it should be obvious to everyone who is not thinking simply of the politics involved, that a general tax reduction would have no immediate effect on the employment rate. It would take many months for any effect to be

felt by the unemployed. The only immediate beneficiaries would be those people who are the wealthiest.

A tax reduction of 10% has been advocated. The effect of such a reduction would be a deficit of more than two billion dollars, an amount which the country simply could not bear. In addition, one of the effects would be to drive up interest rates, which only recently have begun a slow descent to reasonable levels.

Secondly, the Government has already, in a special program made \$150 million available for winter works projects this winter. This is six times as much as was spent on any winter works program in any previous winter.

Thirdly, the Government has increased its public works spending by 10% already. Other expenditures to ease unemployment will bring the total budgetary deficit this year to over \$600 million. Additional spending coupled with a tax reduction as suggested, would virtually bankrupt the country.

The problem is not going to be solved easily or quickly. We must concentrate our effort into ensuring a steady growth of jobs in a sound economy.

## LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

The early stages of the Legislature session have been dominated by pre-election sparring, with provincial business handed a lower priority by the 65 MLAs.

Two probable election issues -- unemployment and the Bennett Dam - Athabasca Delta question -- have been thoroughly aired, but it's impossible to say what concrete results the debate has produced.

Predictably, both issues were raised by Opposition leader Peter Lougheed, whose job it is to raise doubts about the government's competence to deal with such situations.

The 10-man Tory contingent has scored a series of tactical victories by using House rules skilfully in presenting issues for debate. The 55-member government has used senior cabinet ministers to reply.

Mr. Lougheed's chief contribution to date has been a speech in which he handed down a Tory alternative to government policy in the social action field.

He promised to overhaul the education system, provide job opportunities, guarantee civil rights and fight bureaucratic red tape. His speech drew an immediate and unusual reply from Premier Harry Strom, who contended the Social Credit administration is well-versed in human problems and is prepared to meet future challenges.

A second Opposition initiative came when David Russell (PC-Calgary-Victoria Park) slapped the government with a non-confidence motion directed against

the Socreds' failure to respond to the unemployment crisis.

Again, the Tories stressed an alternative. They even introduced a "temporary Unemployment Measures Act" which would give the cabinet the power to accelerate public works projects and promote job opportunities.

When it came to legislation, the government wasn't exactly sitting on its hands. Health minister J. D. Henderson introduced a package of four environment bills which will create a new environment department and more comprehensive controls on air and water pollution.

The Tories attacked again. Mr. Lougheed read a petition signed by a 65-year-old Fort Chipewyan resident who wants a beaver-type dam built to restore water levels in the Athabasca Delta.

The petition, a rare Parliamentary device, underlined a day-long debate on Mr. Lougheed's censure motion against the government's handling of downstream effects caused by the Bennett Dam.

But it also generated a government counter-attack by Mr. Henderson, who said Alberta will benefit in the long run from power opportunities created by the Bennett Dam which already is stabilizing water flow on the Athabasca.

Both sides are even on the debate scorecard so far, and it could be weeks before a clear-cut winner emerges.

## Editorial — Comment

### Decisions Weigh Heavily

The decisions required of elected representatives are often not easy. The facts are weighed and re-weighed; details gone over again and again; an attempt to assess public attitude is often undertaken -- then in the light of all known factors a stand is taken that is invariably unpopular with some segment of the community.

Such a decision is now weighing heavily on the shoulders of members of Parkland County's School Committee. The problem of supplying the best possible high school facilities to residents of the north-western corner of the county has created a knotty problem.

The board is undoubtedly sincere in its belief that the best solution is a tuition agreement with Yellowhead School Division to have students attend a new high school in Evansburg. However, the solution is not acceptable to many people in the area, particularly those in Seba Beach.

The stand by residents of Seba Beach, too, is quite understandable and sincere. Loss of the high school would be a definite blow to the community.

Don't read on looking for an answer -- solution to the problem defies an easy answer. How it will be resolved without further bitterness escapes us.

The situation does however point out clearly the dedication of people serving on various boards and committees -- no one would allow himself to become involved in situations like these without deep convictions on the merit of the democratic system and an earnest desire to provide the best possible for the majority with the least possible inconvenience to the minority.

## LETTERS

TO THE EDITOR

After considerable thought, it is the decision of the editor of this paper to refrain in future from printing letters signed only with the pen name of the author. This is a departure from years of accepted practice, and a decision made not to discourage letter writers, but to encourage factual statements backed by the writer's name.

We still welcome letters on any subject but reserve the right to reject material considered in poor taste or objectionable.

Editor  
The Western Review  
Dear Sir:

We should like to remind all readers of the petition that is presently circulating in the business places and churches of Drayton Valley regarding organized minor sport activities on Sunday mornings. We hope that all interested persons will take the time to sign the petition soon.

We also wish to thank the good number of people of the community who have expressed their opinion by signing the petition, thus showing that they favor the personal growth of individuals in body, mind and spirit.

Rev. Dale D. Mohr,  
Secretary,  
Drayton Valley Ministerial Association

The Editor  
The Western Review  
Dear Sir:

I am writing in response to recent letters to the Editor regarding Sunday morning organized sports.

I think one solution could be as follows: If we had one central church serving all denominations the community would be spared the expense of care and maintenance of five or six buildings.

It would represent a great saving to residents who could then be expected to put more money toward additional sports facilities which would relieve the pressure on the present arena and remove the need for Sunday morning sports. The problem would be solved.

### WHAT NEXT?

A livestock marketing series which answers the questions -- should we expand in 1971? -- How can outlook information be used in planning production? This series is planned for the benefit of both swine and beef producers.

March 2nd, Tomahawk Hall, Tuesday, 1:15 p.m. Speakers -- Jim Clarke, Director of Economics, ADA; Bruce Hackett, head of the Farm Management Branch. Topic -- Recently announced policies affecting livestock producers. -- How can the futures market be used to advantage?

March 9th, Keephills Hall, Tuesday, 1:15 p.m. -- Speakers Roy Humamen, Agricultural Economist, ADA; E.C. Lowe and Tom Brown. -- Topic, Use of linear trends, futures, outlook information in planning produc-

tion, Beef producers and Swine producers.

Although some producer groups claim we have over-emphasized production and neglected marketing, seventy-six producers felt that a Soil & Fertilizer Course in Edmonton was important enough to travel as far as 80 miles from our district for 8 consecutive Wednesday.

For the "few"??? grain producers who read this column, we have the following publication available:

Varieties of Oilseeds for Alberta, 1971. This valuable bulletin contains comparisons of varieties regarding maturity, resistance, to lodging, shattering, rust, etc. Further details are available from your DA office.

USE THE CLASSIFIED

## SUB-MITS

FROM THE ELEMENTARY  
SCHOOL

One of the more modern methods of teaching is known as team teaching. This method is now being utilized by two of our teachers, Mrs. Miner and Miss Batten in the grade one classrooms. There have been many inquiries about this. Here is a very short resume written by the two teachers. This is the first year this method is being used. The teachers welcome your questions and comments.

### TEAM TEACHING

Have you ever seen a four-man hockey team? In other words, six players; but only four who play together. A team must work as one if they are to advance to the finals, and so it is with two teachers in one classroom.

In the common situation there is one teacher working with a group of children. With today's educational theories and philosophies it is possible to have two teachers with twice as many children. This modern method gives each child an opportunity to benefit from two people rather than one person. But, how does it work?

Each child is an individual, with his similarities and differences to others and the question is posed -- Can each child be taught the same lesson? No. Every child is at a different learning level and requires work that suit his needs. A teacher is only human, however, and cannot be expected to teach thirty separate lessons.

In our double classroom we have fifty-six different children. They are grouped for reading, language arts, and arithmetic and are not necessarily in the same group for each. We have six groups for reading and language and only four groups for arithmetic. The reading groups are divided three per teacher and each group given equal time.

Group numbers vary from five to eleven children and a child is not in one group forever. If he progresses well, he moves to a group closer to his capabilities and vice versa.

For other subjects, such as printing and enterprise, one teacher presents the lesson while the other helps children who are having difficulties. Again the objectives are aimed toward each child not "the children".

Team teaching is only one method to help your children achieve their education prowess and of course there are advantages and disadvantages to this system.

# WABAMUN NEWS

A group of friends had a surprise birthday party for Mrs. R. T. Ward who had a birthday on January 30th. A good chat was enjoyed and a lovely birthday cake and tea was served by her daughter Mrs. H. Miller and Mrs. W. Kosik.

Mr. K. Skutle has returned home after flying to Seattle, U.S.A., to see his brother Oley who is recovering from a stroke. Mr. Skutle found him better than he expected.

Mr. and Mrs. D. McCullough and son David visited the latter's parents Mr. and Mrs. D. Roberts last Sunday.

Mrs. G. Sarich is in the hospital in Stony Plain at the pre-

sent time. We hope you will soon be feeling better and able to be home Jean.

Mr. and Mrs. W. Mastaller went to visit the latter's brother and family, Mr. and Mrs. Len Kent at the air base at Cold Lake.

Thirty ladies gathered at the home of Mrs. L. Anderson one evening last week for a wig party, with Mrs. Ann Larison and Mr. John Danielson in charge.

Kathy and Keith, the Sarich twins celebrated their 10th birthday on February 2nd. We hope you both enjoyed your day.

Our sympathy goes out to Mr. and Mrs. W. Kosik in the loss of Mr. Kosik's father at Nipawin, Saskatchewan.

The United Church has Sunday School each Sunday at 11:30 a.m. All children are welcome. They would be pleased to have more children attend.

Wabamun and Mewassin held their annual joint meeting in the basement of the United Church in Wabamun on February 16th. Rev. H. Steele of Stony Plain attended this meeting.

Mr. Wilfred Dumont is home again from the hospital and is waiting for the results of the X-rays and tests.

Congratulations go to Mr. and Mrs. Kreye on the birth of a baby girl.

Mrs. J. Stafford put on a birthday dinner on Sunday, February 14th in honor of Mrs. J. Stafford Sr., Mrs. E.H. Woollard and Mr. Kerry Woollard who celebrated their birthdays within a few days.

Several ladies from Wabamun attended the fashion show which was held in the Chateau Lacombe recently and found it very interesting.

## Recreation Leadership School this Summer

Just another reminder in respect to the 1971 Recreation Leadership School which will be held at the Drumheller Composite High School in Drumheller, Alberta. The School will run from July 4th to July 31st inclusive.

The purpose of the school is to provide persons interested in leading Recreation Activities with the opportunity to develop their leadership skills. The school is an annual event and has been held in different centers in Alberta over the years dating back to the immediate post war period.

The school is open to candidates from every community in Alberta. To be eligible a candidate must have finished grade

11 or be completing that grade in June of 1971, be nominated by the local Recreation Board, be physically fit and be prepared to devote some time and effort to provide leadership service to their community.

Any person interested in this school should contact the local Recreation Department at the earliest possible opportunity. The deadline for applications to this Leadership School is May 1, 1971.

## Carnival Plans Now Underway

A bake sale will be held by the Figure Skating Club on February 26th at Block's Store from 4:00 to 9:00 p.m. All figure skating mothers are asked to donate.

The club will be holding a general meeting on March 4th at 8:00 p.m. in the Council Chambers. Carnival plans are now underway and will constitute the main item of business for the evening.

## Bride Feted at Fallis Shower

A shower was held in the Fallis community hall on February 9th in honour of Mr. and Mrs. Gordon Jones who were married recently. The hall was beautifully decorated in green for the occasion.

The bride's table was decorated with pale green streamers. Her cake was made and beautifully decorated in pink and white by Mrs. George Mann.

Assisting the bride in opening the gifts were the bride's mother-in-law, Mrs. Dave Jones, the brides' sister-in-law, Mrs. Lynn Magerison, bride's sister Alice Athmeks.

The bride received many lovely and useful gifts.

Mrs. Carol Hurst formed a hat from the bows and ribbons which was later modelled by the bride. The bride then thanked everyone for attending and for the lovely gifts that she received. Lunch was served by Iris Wilke, Joyce Wilke and Lil Gunther.

Winners at the provincial gymnastic meet at Ponoka are shown here. From the left, Debbie Daviduk, Brenda Brown, Marlene Daviduk, Debra Smerychynski, Doris Tyerman - Coach and Beverly Wasyk.

## Gymnasts Win at Provincial Meet

On Sunday, February 20, the Drayton Valley girls gymnastic club travelled to Ponoka to a provincial gymnastic meet. They took five competitors and 26 spectators. The girls did extremely well bringing home five medals, one gold, three silver and one bronze.

The girls competing were Beverly Wasyk, Debbie Daviduk, Marlene Daviduk, Brenda Brown and Debra Smerychynski.

Beverly Wasyk took a first place in vaulting a second in balance beam and a third in all around, which is the total points

in all the events she was in.

Debbie Daviduk took a second in vaulting and a second in all around, also placed in the top 8 in balance beam, floor exercises and uneven bars.

We extend our congratulations to all five girls and to their coach, Doris Tyerman for a job well done. Also a special thanks to Denis Reid for the extra help he contributed, and to Dutch VanDorp for driving the bus.

The meet was well represented from 17 different clubs from all over Alberta, the majority from Edmonton and Calgary.

## Maciborski Rink Wins at Buck Lake

Twenty four teams entered the Open Bonspiel held at Buck Lake February 2nd to 7th, involving curlers from Edmonton, Drayton Valley, Breton, Winfield, Ponoka, Penderly, Alder Flats and Buck Lake.

3rd in the third event -- Arnold Kellgren, skip; Dave Robinson, 3rd; Dwight Kellgren, 2nd; and Orville Knight, lead.

4th in the third event -- Scotty Hare, skip; Ted McLean, 3rd; Elgin Nicholls, 2nd; and Leigh Miller, lead.

Consolation prizes of Skunk Mugs went to Larry Haglund, skip; Robert Bohning, 3rd; Ivan Bohning, 2nd; and Wilfred Anderson, lead.

A delicious roast beef and ham supper was served Saturday night for the curlers and guests. Thank you to everyone who made this bonspiel a big success, especially those who worked in the kitchen, and cleaned and pebbled the ice.

## Evansburg C.W.L. Hears Speakers

The Evansburg C.W.L. ladies held their regular monthly meeting on February 15th with ten members present.

Three C.W.L. ladies from Wabamun Council and Five C.W.L. ladies from Wildwood Council were invited to share interests with us and hear the interesting speakers speakers who spoke on Alcoholics Anonymous and Alanon.

The World Day of Prayer will be held on Friday, March 5th at 7:30 p.m. at the Evansburg United Church. All ladies of any denomination are invited to come and take part in this worthy cause. It does concern all of us.

The Red Cross Canvassers will be making their yearly visit soon.

## Sixteen Now Play in Band

There are now at present 16 members in the Drayton Valley Community Band. Playing clarinet are Heather Pearson, Graham Smith, Jack Palmer, Melvin Moltzan and John Tyler; Alto Saxophone -- Robert Smith; Mellophone -- Ed Toews, Willie Eustace, Bruce Moltzan; Trumpet -- Jeff Wardlow, Denis Reid; Baritone Horn -- Glenn Swanlund; Al McKillop; Drums -- Dale Poloway; Bandmaster -- Mr. Alfred Lepp.

Practices are held every Monday night at 7:00 p.m. at the Town Hall. At present there are no instruments available but anyone who has an instrument is welcome.

A successful Valentine Bake Sale was held on February 13th. A beautiful Valentine Cake was donated by Mrs. Nick Urchyshyn which was raffled and won by Mr. Harold Reinhart. The Community Band wish to thank Mrs. Nick Urchyshyn and all Band Members families who helped make our bake sale successful. A special thanks to those ladies other than Band members families who donated baking to aid a community activity. This is very much appreciated.

## EASYFORD NEWS

Easyford Community Centre held its monthly meeting on February 8th. It was decided to hold a dance and social on March 20, with all proceeds going to the Purple Pansy Association.

George Baker, Assistant Director of programs for the County of Parkland west of Fallis, was present to give us an outline of the coming recreation programs for the year. He plans to be out again next month in hopes of organizing a Round Dance group for this area.

# Concordia - Warriors To Meet in Final

The FMHS Warriors and the Concordia College five will meet in the North Central High School Zone Basketball Championships in St. Albert this Saturday at 2:00 p.m. The two clubs were declared co-conference western NCHSAA Champions last week in Edmonton after a special meeting on a Concordia College protest.

To predict the outcome of this game is virtually impossible and it should prove to be a tension-filled classic struggle. The winner of this contest will have a good chance to win their way through to the Provincial Championship's in Lethbridge in the middle of March. To prepare themselves for this game the Warriors will be hosting the Edson ball club at the local high school tonight at 7:30 p.m. immediately after the Edson-Warriorettes game which begins at 6:00 p.m.

Edson is a solid team with some interesting personalities on its roster. To begin with they have a new personable American coach well versed in the complexities of basketball. Then their number one player, Tom Mankins is an American who played in the Colorado State Championship finals last season. Another excellent Edson player is Bob Kitcher, who played for the McNally High School Junior Champions of Edmonton last season. Also playing for Edson is Larry Hatcher who many will remember played for the local Drayton Valley Huskies last year. Edson also have excellent ball players in Don Cressman and Dave Kluckack, Ben Perrino and Dwight Worthing.

Danny Wickland

Come out tonight and support the local high school clubs before they move on to St. Albert this Saturday.

Warrior Scoring to date:

Larry Mattoon -- 312  
Doug Ibbotson -- 205  
Barry Swap -- 186  
Ken Dusterhoft -- 168  
Blair Ibbotson -- 140  
Gerald Dusterhoft -- 72  
Stan Oulton -- 60  
Larry Wall -- 36  
Danny Weahland -- 23  
Roger Hutchinson -- 20  
Jim McKillop -- 6

## Swine Sale To Include 270 Purebreds

The trend to cross breeding in the swine industry will be much in evidence at the Canadian Western Stock Show and Sale March 27th to April 2nd.

Entries totalling 270 head of purebred swine include 219 Yorkshires, 34 Lacombs, 8 Poland Chinas, 6 Hampshires and 3 Large Blacks. The Yorkshire entry is made up of 147 sows and 72 boars while the Lacombe entry is about evenly split between sows and boars as are the Hampshires and Poland Chinas. The Large Black entry is three boars.

Besides the appearance of breeds not commonly seen at swine sales, another progressive step is the offering of a number of purebred sows bred to purebred boars of a different breed. Information on these female entries will be detailed in the catalogue to be available at the show and sale.

Thursday, April 1st at 7:00 p.m. is swine show time for all breeds while the selling gets underway Friday morning, April 2nd at 9:30 a.m. Both the show and sale are in the Sales Pavilion, Edmonton Exhibition Grounds during the Canadian Western Stock Show and Sale.

## College Plans Open House

Friday and Saturday, March 5th and 6th are important days for Grade 12 students. Those are the days when Vermilion College is holding Open House. During those days, high school students interested in finding employment (and that must certainly include most), can drop in at the College see the excellent facilities available, meet their well qualified staff, talk to students presently in attendance and meet people from industry who know where the demand for graduates of Vermilion College, exceeds the supply.

A basketball tournament running concurrently, will provide added interest and on Friday evening there is a program of entertainment (restricted adult) and a dance.

It should prove to be interesting informative and a pleasant way for high school students.

## Drayton Girls Win Zone Bowling Titles

Two Drayton Valley girls, Loretta Fowler and Lorie Legeas, have qualified for the Youth Bowling Council Alberta finals to be held in Calgary on Saturday, February 28th.

The two girls were among 26 young Drayton Valley bowlers who took part in Zone finals in

Edmonton on February 14th.

The players took part in team and singles events. Loretta won in the junior singles and Lorie in the bantam division.

Winners in the provincial finals in Calgary will advance to the Dominion Championship final in Vancouver during Easter week.

## Forage Management Program Outlined

The Alberta department of agriculture's new forage management program replaces all other provincial grass seed assistance and management programs.

The purpose of this \$95,000. program is to encourage farmers who grow forage crops for pasture, hay, silage, etc., or seed to upgrade their production and utilization practices, says Larry Gareau, supervisor of forage crops for the provincial plant industry division. He explains that the goal of the present program is to develop a forage crop industry in this province whose importance approaches that of crop industry.

It appears that at the present time a large percentage of forage crops could be grown much more profitably if management techniques were improved. Studies show, for example, that in some cases as much as 50 % of the land seeded to forage crops failed to establish a satisfactory stand, and that many well established stands of both hay and pasture fail to return profitable yields. Harvesting and storing forage crops also present problems, Mr. Gareau says, and these problems have to be solved before crop production can compete with grain production.

He points out that the Alberta program complements the federal forage crop program, which provides an incentive to increase forage acreages, but does little to encourage a higher standard of management.

The funds allocated to the provincial program can be used in two different ways, according to Mr. Gareau. Since this program is being implemented by the extension field staff, it is up to each district agriculturist which method he feels would be best for his district.

The first method involved financial assistance to farmers on an individual basis. Here the district agriculturist selects a farmer who he feels will adopt the better forage crop management practices. Together they will plan proposed improvements. The farmer will receive financial assistance in the

form of 50 per cent of additional costs involved in the improved management (labor, seed equipment etc) up to a maximum of \$200 per farm, or \$2 per acre of forage grown, whichever is smaller.

The other method of distributing the forage crop program funds is on a district basis. Here the money would be used for such things as education tours, demonstration farms, demonstration field days, purchasing special forage crop equipment that can be used by farmers in the district etc.

## Local Teams Doing Well In Provincial Finals

All teams representing various divisions have done well in the opening series of the Provincial playdowns.

The Pembina Pipeliners in the juvenile division dropped a close 6 to 5 decision to the Jasper Juveniles last Saturday but will have a chance to even the count in the last game of the two game total point series next Saturday at Jasper. The Pembina Pipeliners will also start their league playoffs against Ponoka Bruins this Thursday in Ponoka.

The Roses Well Service Clippers in the Midget Division won the first game 5 to 1 against Leduc and mustered a tie in the final game 4 to 4 to win the two game total point series 9 goals to 5, they will now enter a series with Westlock with games to be scheduled for this weekend. Clippers also won the Highway 16 League.

The hot Burrows Motors Challengers defeated the Edson team in the Bantam Division 12 to 1. Edson defaulted the second game

because of the big lead the Drayton Team gained. This weekend they will travel to Jasper to take on their team Saturday afternoon and return Sunday for a game at the arena here at 3:30 p.m.

In an exhibition game Sunday afternoon they defeated the Trudeau's Double "A" team from Edmonton 4 to 3 to extend their unbeaten streak.

In the Pee Wee Division the Drayton Valley Hotel Leprechauns the under-rated team this year defeated the Edson Pee Wees 5 to 4 in the first game of the provincial series and will host the Edson team Saturday afternoon at 5:00 p.m. In the second game of the two game total point series.

In Highway 16 League action the Leprechauns ended in a tie for first place, losing only one game during league play.

Playoffs in the House Leagues will be announced this week. All teams will be involved in the playoffs in a round robin series. Schedule will be posted at the

arena before the weekend.

The Minor Hockey Association has announced the date for the annual wind-up banquet this year for Saturday, May 8th with all hockey players and coaches from all 18 minor hockey leagues to be hosted. The evening will start at 6:00 p.m. with a sit-down banquet followed by entertainment, presentations and various guest speakers to be announced.

## Tractor Club Holds Meeting

The eighth regular meeting of the 16 A 4-H Tractor Club was held on February 17th at the home of Mr. and Mrs. M. Bruner of Evansburg.

The colors of our crests were agreed upon, and everybody in the club wanted one, so they are to be sent away for by February 20th and they should get back by our achievement day in May.

A report was given by Allan Mazeppa on our hayride which was held on Wednesday, February 10th. Everyone who went enjoyed themselves.

A report was given by Adele Bura on the Junior Leadership Workshop which was held in the Duffield Hall on Thursday, February 11th. Zane Bruner, our secretary, is to write to Gulf Oil Ltd. and thank them for the supper they sponsored. All who went learned a great deal.

We are to set a date, at our next meeting, for another bake sale, which we hope to have in March.

All those who are 16 or over, who wanted to volunteer to work at the Crippled Children's camp during the summer, gave their names to Mrs. Bruner.

After the business was discussed, we did another chapter in our workbooks. Then for recreation all members went to the skating arena to watch an exciting hockey game.

You are invited to discuss your employment or training needs with David Biggs, Edmonton CMC Manpower Counsellor

## Drayton Teams Win Regional Titles

The FMHS boys and girls basketball clubs travelled to Edson last weekend to compete in the Western area regional playdowns and both returned victorious.

For the Warriorettes it was their first regional championship in the team's history and a fine accomplishment for Linda McMorris, the Warriorettes new youthful coach and her excellent team. The Warriorettes downed the Edson girls 29 - 22 with a last quarter surge in their first game and then turned back the Hinton girls 54-34 later in the afternoon.

The Warriors won their third regional title in the past four years by defeating Hinton 58 - 28 in their opening game and by defeating the strong Edson Five 54-36 in the championship final. Of note in the Warrior-Hinton game was the work of rookie Danny Wickland of the Warriors in the center position.

The Warrior-Edson game saw the home town Edson club ahead at the half 23 - 22 in an exciting see-saw opening 16 minutes but the Warriors outscored the Edson club 31 - 13 in the second half

to run away with the game. In this game Barry Swap led the Warriors with 14 points, Larry Mattoon followed with 11 and Larry Wall and Gerald Dusterhoft added another nine each.

The two Warrior and Warriorette clubs brought home six of the ten all-star awards with Barry Swap, Larry Wall and Larry Mattoon winning individual trophies in the boys section and Janine Labranche, Judi Wilkes and Cheryl Daviduk in the girls.

The two teams will travel to St. Albert this weekend to compete in the zone championships with the three other schools from North Central Alberta.

### HOW MUCH DOES CONVENIENCE COST?

Our food markets today handle roughly 8,000 items on their shelves. The housewife when shopping has a terrific variety of choices when selecting items she needs. Convenience foods are taking up more and more shelf space. When the decision comes between a convenience food and a food which requires home preparation, what does the housewife consider?

Convenience foods do save time, but a survey of 158 convenience food products revealed that 73% of them cost more than they would have if they had prepared them from scratch in your own kitchen.

These were comparative prices: Premixed pancakes - 24% more than homemade products. Frozen apple pie, 82% more; Frozen chicken dinner, about 150% more. Other convenience foods that we were found to be cheaper were:

**FROZEN ORANGE JUICE:** The frozen orange juice costs 19¢ for 4 servings and took 2 minutes to prepare. Home squeezed fresh orange juice cost 69¢ and took 4 minutes to prepare.

### MILK

Homogenized milk is 30¢ per quart, where as skim milk powder works out to only 11 to 12¢ per quart. A saving of 19 to 13¢ per quart for a necessary food item in every household. Skim milk powder can save a family with 2 children at least \$200 per year. If your family objects to the taste of powdered skim milk, try making it up the night before, keeping it cold in the refrigerator or mixing it half and half with homogenized milk.

Lets compare foods like cereals syrup, instant coffee, rice and orange juice.

### CEREAL

Cooked cereal costs only 1¢ per serving while ready-to-serve cereals cost at least 4¢ per serving.

### SYRUP

It costs 18¢ more per pound to be able to squeeze the corn syrup out of the plastic bottle, compared to the syrup in the can.

### ORANGE JUICE

A cost comparison between fresh, frozen and canned orange juice showed:

1. frozen orange juice, 2/49¢ for 6 ounce cans which makes into 50 fluid ounces and works out to between 8 and 9¢ per serving.
2. Canned orange juice was priced at 57¢ for 48 ounces which works out to 10¢ per serving.
3. Oranges were priced at 79¢ per serving 1 - 2 oranges per person works out to 7 - 14¢ per serving.

### INSTANT COFFEE

Instant coffee works out to less than 1¢ per serving. One pound of coffee serves up to 75 people which works out to over 1 1/4¢ per serving.

### RICE

On a per ounce basis, the regular rice, which takes 15 minutes cooking costs 1 1/2¢ per ounce while the minute rice works out to 4¢ per serving.

The cost per serving prices were based on Edmonton January prices. It must be realized that prices will vary from season to season, even store to store.

When deciding on convenience food the choice between time saving and money saving is important. How do you choose?

## Ottawa Plans Agricultural Adjustment

OTTAWA -- Agriculture Minister H.A. (Bud) Olson last week announced the broad outlines of a major agricultural adjustment and development program that will benefit the entire industry.

The program, which has received Cabinet approval in principle will be aimed at providing improved economic and social opportunities to farm people.

"We want to give farmers who are close to retirement age the opportunity to use their assets to put together a satisfactory retirement package," Mr. Olson said.

"We also want to give other farmers the opportunity to withdraw from agriculture with a certain amount of dignity and security, if they choose to do so," he said.

"However, the choice will certainly be left to the farmer," Mr. Olson said.

"Details of the federal government proposals will be outlined in a paper which will be released in the near future," he said.

"What we envision is a program aimed directly at improving opportunities for farm people -- a program to fill the gaps between existing federal and provincial schemes," Mr. Olson said.

The proposals will be discussed with provincial ministers of agriculture and the leaders of the major farm organizations.

"We want to begin discussions with the provinces so we can implement our program without duplicating or conflicting with their existing programs," Mr. Olson said.

"We believe this has to be national program because we find some communities in all parts of Canada with a very large number of farmers who could benefit from this program.

"Also there are individuals caught in similar circumstances in a province, in a region, or even in a community where the balance of the agricultural sector is in a relatively better condition.

## Sunday Worship . . . Should I or Shouldn't I?

BY FATHER E. LYNCH

### SUMMARY

There can be no growth in a group that does not meet regularly. So it is with Catholics or Protestants -- if no regular Church attendance, there is no growth.

A. What is a priest to say to people who don't think missing church is a serious thing?

The following are some of the reasons one hears why people miss Sunday worship:

1. In The Summertime -- It's cultivating, planting and seeding time; camping; golfing and golfing tournaments; water-skiing; picnics; weekends at the lake; swimming; travelling; all kinds of sports, etc.
2. Some People Say -- "I can pray in my room, so why go to Church?" Praying in one's room is good but it doesn't go far enough as we will see later.
3. Others Say -- "I know a guy who is a bad example. He is at Church every week. But he is often drunk. What good does Church do him? Therefore I'm not going to Church." This is false thinking. What these people take for hypocrisy in a person is really human weakness -- and we all have a great deal of human weakness. Still, God does want more than lip service. We worship Him together on Sunday; we must love our neighbor everyday of the week.
4. In The Fall -- It's haying or harvesting; football games, hunting etc.
5. In The Winter -- It's curling tournaments at home or away; ski dooing; televised hockey or football games; ski trips; and the like.
6. All Year Round -- It's, we had visitors, therefore, I could not come. Wild parties and late dances resulting in a big head, therefore had to sleep late Sunday morning.
7. In addition, people who belong to too many organizations are so pooped by Sunday that they sleep in.
8. Most Important -- Many Mass-Missers don't know Christ and therefore don't go. (These people are caught in a vicious circle) By not going they do not learn about Christ and not knowing Christ they don't go so they are trapped in their own circle.

These are some of the reasons (there are many more) one hears for missing church. We make God a plaything. We put Him on a shelf in the closet to be used only when we want (generally Baptisms, marriages or death).

How deeply all the above irreligious, pagan, secular feelings have infiltrated into our way of thinking and influenced our way of action.

How well Christ has anticipated all this with this parable. A King invites his people to a great banquet; but, one has a field and must plow it, therefore can't come; another has cows and must milk them, therefore can't come; one just got married, therefore can't come. It fits us today. The King is God inviting us to his weekly celebration with all his people and we come up with all kinds of excuses.

- B. The result of the above is downright misery because of the lack of spirited depth in our personalities. The world reflects our personal problems but on a larger scale. For example, F.L.Q.; Black Panthers; Assassinations in Chile; U.S. Vietnam; legalized abortions; easy divorce "laws"; pornography; greed for more; you would think that we should have learned our lesson by now, and that is, without God in our lives, we are unhappy people, and today's divided world proves it.
- C. In the light of all these points, just what does the Church have to say? The Church still insists that there is a serious obligation to attend the weekly celebration. (It is as true now as it has been down through the centuries).

Here are the five reasons:

1. The obligation comes from the very nature and purpose of services; which even before the obligations became a precept (Law), was the one thing that made up the community as God's special People. (Today, we make up the community).
  2. The Church would not have been the Church without this weekly get-together. They are following Christ's command to "Do this in remembrance of me".
  3. Most Important -- this weekly celebration guaranteed me survival of the community and kept it growing. It renewed the presence of Christ in their midst. It developed a visible group of people (the Church) who were unified with Christ as their head. (This is opposed to just praying "in my room" point of view). Today we assemble weekly guaranteeing our renewal and survival.
  4. The Vatican Council in Rome, five years ago, stated "the faithful are bound on Sundays and Feast Days (Christmas and New Years) to attend the divine liturgy".
  5. The obligation is serious not because someone simply tells us so, but because the Mass is the source of life and bond of unity among ourselves, with Christ as our Head, and if we believe this, we will go because we want to go not because we are "forced". In other words, the Mass is our Life-Blood, if we cut it off by non-attendance we simply dry-up and die. We depend on the Mass. We need it. It is this weekly assembly with Christ that makes us grow and also makes us the Church. Therein, we renew one another and ourselves with Christ present in our midst.
- D. Still, there is another aspect, the 3rd Commandment: "Remember to keep holy the Sabbath". The whole day is the Lord's Day, i.e. when concern for daily life and its affairs is to be set aside. (People who work 52 Sundays a year, every year, simply do not know what life is all about and are like miners without a lamp -- groping in the dark. Sunday is a day of rest and leisure. This rest and leisure is just as necessary to us as the work days of the week. Not to have to work is almost a divine feeling and Sunday is meant in this way. It is a day of festival; of knowing what one is working for; of thanksgiving for what we've got; a breathing space in the atmosphere of God. Sunday is a day open to meditation on truths of our final destiny. A day on which we relate Christ's life, death and Resurrection to our own salvations.

E. CONCLUSION: let us then;

1. Be present at the common celebrations each Sunday.
  2. Take part in the mysteries of our redemptions with our brothers and sisters.
  3. Offer worship to God through Christ sincerely and faithfully.
  4. Build-up ourselves through the eating of His Body and Blood.
  5. Realize the riches of common worship in and through Christ.
- Far from feeling pressured by legal obligations to attend Mass, let us note that in this war-weary world, strife torn and seeking unity, Christ offers His own healing sacrament -- His people who cast aside barriers of race and color and extend a loving service to all mankind -- His people who gather weekly at His fountain of grace, the Mass.

## BUCK LAKE NEWS

Congratulations and another big pat on the back to Ede and Fred Drader on winning first prize for individuality in the North-Am Carnival Days Parade in Wetaskiwin. They entered as Mr. and Mrs. Santa Clause, with the goats, Cedric and Caesar as reindeer. The Draders are keeping the hamlet of Buck Lake in the news.

The Ladies Friendly Circle Club Meeting was held at the home of Ruby Woods, with nine members present. Lena Brown was welcomed back to the club this year.

A Cancer workshop will be held in Wetaskiwin February 26 with possibly 2 or 3 members attending.

The club catered to Co-op Executives in the Recreation Centre at noon Thursday, February 18th.

New officers were elected -- the President for 1971 is Margaret Roberts; Vice-President, Betty J. Bouck; Secretary, Goldie Anderson; and the Treasurer is Eric Mills.

A vote of thanks was given the retiring officers. The draw brought by Eric was won by Goldie. The Secret Pot draw was made. A delicious lunch was served by our hostess. The next meeting will be held at the home of Elizabeth Rasmussen on Wednesday, March 10th, weather and roads permitting.

Sophia Zekonia arrived home from her trip on Sunday. She was away for five weeks. Welcome back.

Thank you to Mrs. Crawford of Alder Flats for the donation of

Schlyer Durant and family of Edmonton spent some time at Buck Lake visiting relatives and friends.

There are an awful lot of folks ill with the flu bug. Mrs. Don Molyneaux was in Drayton Valley Hospital. Other hospital patients have been Mr. Jens Bakaas in Ponoka hospital; George Poszgal in Drayton Valley; also Esther Paudrier and Betty J. Bouck.

Jim Foster is home from his job and awaiting word of the next one.

Gary Foster was at home for a while, but has gone back to

work.

Just in case anyone has need of the services of our County Police, contact Robert Hladilo at 388-2246. He and his family live on the former Schlyer Durant farm.

Alberta Teachers Convention was held in Edmonton Thursday and Friday, February 11th and 12th at which about 2400 teachers met in various groups to hear lectures on current trends in Education, see displays of new Educational Materials and in some instances, tour schools.

Nice to hear that Rodney and Blaine Odegaard are back at school again.

Don and Pauline Molyneaux have purchased Don and Joyce Belcours' trailer and will be moving to Swan Hills next month where Don is employed.

The Don Belcours have moved back into their house in Buck Lake.

## Junior Futurity Show Slated For March 27

Nearly 50 builders of tomorrow's purebred beef herds have entered 78 animals in Alberta's 13th Annual Junior Futurity Show March 27th.

A feature attraction of the Canadian Western Stock Show and Sale which runs March 27th to April 2nd in Edmonton, the Junior Futurity is open to farm young people from 10 to 18 years of age inclusive. As the name implies, the show deals with the future of both the young people and their livestock.

In contrast to other Stock Show events, exhibitors in the Junior Futurity classes do not sell their animals but retain them as foundation stock for herd expansion.

Entries in the Junior Futurity Show include 11 Aberdeen Angus calves, 11 Charolais calves, 14

Shorthorn calves and 42 Hereford calves. They'll be shown in two classes for heifer calves and one class for bull calves in each breed. A grand and reserve grand champion will be selected for each breed and then the Supreme Interbreed Grand Champion of the entries shown will be declared from the Champions.

Slated for 7:00 p.m. Saturday, March 27th in the Sales Pavilion, the 13th Alberta Junior Futurity Show is another of the unique attractions at the Canadian Western Stock Show and Sale in Edmonton.

D. B. Lambroughton of the CDA's Livestock Division, facing camera, who recently returned to Ottawa after an assignment in Uganda for the Canadian International Development Agency, is shown here at one of Uganda's experimental farms. The Holstein cattle behind him are some of the 600 heifers bought from Canada last year.

These are Ankole cattle, which are native to Uganda. They produce only about 1,000 and 2,000 pounds of milk annually, but are resistant to the tick borne East Coast Fever. The Canadian Holstein's production averages 13,000 pounds, but requires protection from the fever.

## Tax Questions And Answers

1. Q. -- I arrived in Canada in March last year. I am told that I must enter on my tax return the date of my entry into Canada. Why is this?

A. The reason you are asked to state your date of entry into Canada is because your total personal exemptions, and standard deductions if applicable, are prorated according to the number of days in the year that you were a resident of this country. The space for entering this information is at the top right hand side of page one of your income tax return.

2. Q. -- On the income tax form there is a space for date of birth. Is it necessary for me to give my date of birth, and if so, why?

A. Your date of birth is used for various purposes, such as additional identification and determining liability for Canada Pension Plan contributions. It is required information and, like all other information on your return, is confidential.

3. Q. -- Must I have a social insurance number, and enter it on my income tax return?

A. Yes, if you are required

to file an income tax return you are required, by the law, to have a social insurance number and to enter it on your income tax return. Your social insurance number is used as an identification for the recording of your contributions into the Canada Pension Plan. Always make sure that the social insurance number entered on your income tax return, and on your T4 slips, is the same number as the one printed on your social insurance card.

4. Q. -- What shall I do if the social insurance number entered on either my tax form or my T4 slip is incorrect?

A. If the number is incorrect

on your income tax form cross out the wrong number and enter in the correct number. If your social insurance number is incorrect on your T4 slips notify your employer and ask him to make the necessary correction.

5. Q. -- Since a Social Insurance Number is required how do I get one?

A. You should obtain an application form from either the Post Office, a District Taxation Office, an Unemployment Insurance Office or an office of the Department of National Health and Welfare. The application form should be completed and mailed as directed on the form.

## Weekly Livestock Report

The Edmonton weekly livestock report for the week ending February 20, 1971 provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	5125	3325	1800	4000	840
Last week	6346	4338	2008	5079	118
Same week (1970)	4550	3210	1340	2587	139

### SUMMARY

Receipts this week were considerably lower but still about 600 more than the same week last year. Slaughter steers and heifers were particularly scarce throughout the week. Sales were running approximately 75% replacement classes of cattle and calves. Butcher cows were in increased supply making up about 50% or more of slaughter sales. Trade was moderately active with slaughter steers selling under pressure by packer buyers to 25¢ lower. Butcher heifers steady. Butcher cows 50 - 1.00 higher. Bulls steady. Veal scarce and steady. Heavier replacement classes 50 - 1.00 lower, lighter weights steady.

### SLAUGHTER CATTLE AND CALVES

With the uneven supply of top quality butcher steers on offer consistent quotations were difficult to establish. One load of choice handy weight steers sold for 32.00 early in the week. In closing trade there were sales to 31.90 for desirable weights. Heavy and overfat steers were selling under discounts up to 1.00. Butcher heifer trade was generally steady throughout the week with choice handyweights selling at a practical top of 29.50 with sales to 29.90 for fancy types. The butcher cow trade opened on a stronger undertone with prices rising 50 - 1.00 by mid-week. Extra good conditioned butcher cows were topping 21.00 in the closing rounds. Medium cows sold strong throughout to 1.00 higher with lower grades mostly 50 higher. Bulls were mostly unchanged with the odd sale over 24.50. Veal scarce with a few sales in the 48 - 49 range for choice lightweights. Butcher calves steady.

### REPLACEMENT CATTLE AND CALVES

Replacement buyers appeared to be more cautious and selective as to their purchases resulting in heavier shortkeep feeders selling 50 - 1.00 lower for the week. Lighter weights 750 lbs. and under were only slightly slower. Stock calves sold readily at steady prices for all classes. A few lots of light steer calves (200 lbs. & under) sold from 48 to 50 per cwt. There were sales to 40 for light stock heifer calves.

SHIPMENTS  
Last week's shipments off the Edmonton Public Stockyards were East, 100 feeders; West to B.C., 26 slaughter. Export, 20 slaughter. Feeders to southern Alberta areas, 1800.

### CLOSING QUOTATIONS SLAUGHTER CATTLE

## Father and Son Banquet Monday

The Annual Father and Son Cub and Scout Banquet was held in the Elks Hall on February 22nd on the birthday of Baden Powell. There was a very small turn-out due to the flu and other circumstances.

Mr. Ron McCartney, vice president of the Group Committee was master of ceremonies, Scout

Bruce Moltzan played the piano for "O Canada" and Willie Eustace gave the toast to the Queen. Scout Bruce Moltzan gave the toast to the fathers and Mr. Bruce Boles gave the reply on behalf of the fathers. Father Lynch said grace.

The Cub and Scout Mothers Auxiliary would like to thank the Group Committee for our guest speaker, Constable Casey Dehaas of Drayton Valley R.C.M.P. detachment. He gave a very interesting talk on our great outdoors.

Mr. Ron. McCartney presented Bruce Boles with a token of appreciation for service on behalf of the Group Committee and also to Mrs. Betty Bouschard and Russ Simpson who were unable to attend.

Area Commissioner Claude Gould, of Whitecourt was also present and gave a talk to the boys.

Other guests were Mr. Claude Albert, representing the town of Drayton Valley, Mr. Ron Smith representing the Rotary Club and the local clergymen.

President of the Cub and Scout Mothers Auxiliary, Mrs. Phyllis Morill presented the leaders with gifts of appreciation. Also a plaque to Brian Duperron for ten years with Cubs, Scouts and now with Venturers. An Auxiliary spoon will also be presented to Laura Barker for past service with the Cub and Scout Mothers Auxiliary.

We would like to thank the

Elks and the Ladies of the Royal Purple for preparing and serving a delicious chicken supper.

## Congress Meets At Stony Plain

Another regular monthly meeting of the Community Interaction Congress was held in the County Committee Room on February 11th, from 1:30 p.m. to 5:15 p.m. with 15 members present, representing farming, homemakers, Unifarm Women, Department of Youth, Unifarm, Department of Social Development, Department of Agriculture and the County of Parkland.

Mr. E.C. Lowe, District Ag. acted as chairman and Tom Brown recorded the first part of the meeting, while Bill Moelhoff chaired the second half of the meeting with Don Woods recording the minutes.

Mr. Bill Moelhoff completed his Agriculture Fieldmen's presentation concerning the Noxious

Weed Act, Grasshopper Control, Warble Control, Magpie Control, Coyote Control, Conservation Act and other services of the County's Agriculture Fieldmen.

Darwin Park and Tom Brown reported that High School officials have expressed interest in the C.I.C. as some students have indicated they are interested in exposure to individuals working in specific occupations as a guide to career selection.

The Department of Youth then had the balance of the meeting to explain their programs, with Darwin Park, District Youth Representative and Al Holt, Recreation Consultant, on the "Hot Seat".

Darwin Park gave a talk on the structure of the Department of

Youth, the youngest Department of the Government, being formed in 1966. There are seven divisions in the Province, with seven Recreation Consultants, seven 4-H Specialists, fifteen Youth Representatives, plus Department of Youth Headquarters staff. Some of the main programs were listed, namely, 4-H Clubs, Junior Forest Warden Clubs, Recreation, and Youth Consulting.

Al Holt explained the Department of Youth Act as to regulations and assistance available to Municipal Governments. The Recreation Branch deals only with Municipal Governments that have set up a Recreation Board. One of the main jobs of the Consultant is to guide and suggest the best ways of using assistance for the different localities.

A lively discussion period followed with a number of questions being asked on assistance, what the Youth Representative has accomplished in the past, Drug abuse, etc.

The meeting was termed by all to be very enlightening.

The next regular meeting of the C.I.C. will be at the County Committee Room on March 4th, at 1:00 p.m., with Mr. Neil McDowell, Director of Counselling and Special Education for the County of Parkland, and Mr. Martin Goertzen, Guidance Counsellor at Memorial Composite High School, on the "Hot Seat". Everyone is welcome to attend and hear the "Hot Seat" personalities give an outline of their function in the community and to join in the discussion.

## Presidents In Parallel

Lincoln and Kennedy were linked in life and death by a startling number of parallels. Both president Lincoln and president Kennedy were concerned with the civil rights issue. Lincoln was elected in 1860. Kennedy was elected in 1960. Both Lincoln and Kennedy, during their term of presidency, lost a son through death. Deeply concerned for president Lincoln's safety was a police superintendent; his name: John Kennedy. Deeply concerned with president Kennedy's safety was his secretary; her name: Mrs. Lincoln. Both were slain on a Friday and in the presence of their wives. Both were shot from behind. Both were shot in the head. Both failed to regain consciousness. Both successors were named Johnson. Both successors were Southern Democrats who had served in the U.S. Senate. Andrew Johnson was born in 1808; Lyndon Johnson was born in 1908. Both assassins were southerners favoring unpopular ideas. Both assassins were slain before they could be brought to trial. John Wilkes Booth shot president Lincoln in a theatre and escaped to a warehouse. Lee Harvey Oswald shot president Kennedy from a warehouse and escaped to a theatre. The names Lincoln and Kennedy each contain seven letters. The name John Wilkes Booth and Lee Harvey Oswald each contain fifteen letters. The names Andrew Johnson and Lyndon Johnson each contain thirteen letters.

## Wabamun W.I. Holds Meeting

The Wabamun W.I. monthly meeting was held at the home of Mrs. R.T. Ward on February 10 with 15 members and one guest present who joined later on. The Vice-President, Mrs. J. Stafford presided at this meeting in Mrs. Kosik's absence.

A whist and cribbage party was planned for February 23rd in the basement of the United Church. The new programs were handed out to the members who were present.

Plans were also made for the March meeting to be held on March 10th in the United Church basement with Mrs. G. McDavid as guest speaker. The roll call was an exchange of homemade valentines. Some of these certainly took thought and planning. The tea prize went to Mrs. F. Woollard. A lovely lunch was served by Mrs. R.T. Ward, Mrs. F. Anderson and Mrs. H. Miller.

## Receives Merit Award

An Alberta Government film depicting winter recreational activities in the province has recently been singled out for merit awards in two film festivals.

"Land of the Chinook", a 24-minute color film produced by the Film and Photographic Branch of the Alberta Department of Industry and Tourism, received a Certificate of Excellence at the Sunset Magazine Travel Film Festival in Anaheim, California and a Citation of Merit from the Michigan Outdoor Writers Association for being "superior to most outdoor and travel movies."

The film depicts, in vivid color, such varied and popular winter activities as skiing, ice boating, ice fishing, sleigh riding, snowmobiling, skating and curling. Included are spectacular scenes of ice boats attaining speeds of 70 miles per hour, and glacier skiing high in the Rocky Mountains.

The film will be released in Canada and the United States this summer by the National Film Board, and will be available for viewing by clubs and organizations and for television use.

It was made for the Film and Photographic Branch by Ranson Photographers of Edmonton.

## Ash Wednesday Service

Tonight, February 24th, Ash Wednesday, a service of Holy Communion will be held at 7:30 p.m. in All Saints Anglican Church.

## FALLIS NEWS

You can tell the weather has changed for the better by the fishermen on Wabamun Lake these past few days.

The vandals were at it again as Buchanan's Service at Fallis was broken into. The thieves gained entry by breaking a rear window of the garage.

Mr. and Mrs. Stanley Strong of Edmonton were recent visitors at the home of Mr. and Mrs. Earl Lounsbury. Also visiting was Mr. Lounsbury's niece from Edmonton.

The annual 4-H Valentine Dance and Queen Contest was held this year at Spruce Grove Serplex on February 12th. Last year's Queen, Wendy Gunther of Fallis Food Club gracefully crowned the new queen, Dianne Scheideman of White Rose Beef Club.

A recent visitor at the home of Mr. and Mrs. McCulloch was Mr. John Holliday from the Coal Branch.

Bingo was held in the Fallis Community Hall on February 19. The next bingo to be held in the Fallis Community Hall will be on March 5th commencing at 8:00.

Weekend visitors at the home of Mr. and Mrs. J.R. Magerison were their eldest daughter Barbara, her husband Herman and their son Shawn, and also visiting was Barbara's younger sister, Laurie, all of Edmonton.

Some of the people of Fallis have had their dogs or cats immunized for rabies.

Mr. and Mrs. Mashtaler drove to Magnolia to visit Mrs. Myslic.

Get well wishes are extended

to Mr. Fell who has not been feeling well these past few days. Sympathy of the district is extended to Mr. Bean and family on the death of Mrs. Bean.

## LODGEPOLE NEWS

Miss Wendy Fagervold spent a few days in Drayton Valley hospital.

Mr. Ted Everden moved his house trailer to Drayton Valley. Former residents Mr. and Mrs. Ed. Morsey spent a holiday week in Las Vegas taking in the entertainment of Sunset Strip.

The Men's Open Bonspiel is planned for March 17, 18, 19, 20, and 21 evenings. Entries to be in by March 12th.

People who are too wrapped up in themselves usually come in small packages.
